

## UZ 934 & UZ 934-H

### Lightweight Canister Vacuums

The UZ 934 and UZ 934-H dry pick-up canister vacuum cleaners give you power and durability in an economical, lightweight machine. Perfect for the contract cleaner, the UZ 934 provides reliability you can count on.

Three separate filtration systems – pleated filter, filter bag and exhaust filter – help assure cleaner Indoor Air Quality. A H.E.P.A. filter is standard on the UZ 934-H model.

Quiet, easily maneuverable on hard floors or carpets, and extremely powerful with a thermal-protected 1,000-watt motor, the UZ 934 is an all around answer for nearly every cleaning need.

- **Lightweight and compact for easy storage and transport**
- **Powerful 1,000 Watt two stage motor**
- **Stable in a vertical position for cleaning stairs and for other stationary applications**
- **Standard model features three stages of filtration and H.E.P.A. model available**

**Trusted. Reliable. Efficient.**

**A Nilfisk-Advance Brand**
